COUNTY ATTORNEY DENIS DUNDON went over to Frankfort yesterday to be present at the arraignment of Clinton, Youtsey and the other persons charged with complicity in the Goebel tragedy.

The Paris Cash Shoe Store was moved yesterday from the Nippert block to the storeroom lately occupied as a bowling alley. The store is now opposite the court house. The room vacated by the shoe store will probably be used as a confectionery by some out-of-town party.

MRS. WALTER ZIMMERMAN and Miss Carrie Current made the confession at the Christian Church Sunday morning and were immersed by Eld. Darsie after the evening discourse. Judith Hukill was also baptised Sunday night. Eld. Darsie will hold regular services at the church to-morrow night. Special music will be rendered.

## THE FACTS ABOUT THE SMALLPOX.

Upon the authority of Dr. John Bowen, Health Officer, The News announces that there is not a known case of smallpox in Paris. The patients from the negro villages were taken to the pest house, a mile from town, and are now about well. Dr. Bowen says the disease is under perfect control.

It has been falsely reported at Clintonville, North Middletown, Millersburg, Cynthiana, Winchester, Carlisle and Georgetown, that there are from 50 to 1,500 cases in Paris. These are wild, unfounded, ridiculous rumors and in some cases wilful misrepresentations. There is no smallpox in Paris, and there is not the slightest danger in country people coming to Paris.

It has been reported that patients from the pest house come to town at night. Constable Joe Williams, who is the night guard there, says the report is a lie.

Out of consideration for the Paris merchants The News has refrained from agitating the smallpox question. This silence has been wrongfully construed by the country people and many exaggerated reports have been circulated.

Dr. Purnell, pest house physician, reports that the patients are doing nicely. None are in bed. Several will be discharged this week. They will be thoroughly fumigated and given new clothing.

There is no smallpox IN PARIS. It is certainly NOT DANGEROUS for country people to come to Paris.

Many exchanges have published erroneous and damaging reports about smallpox in Paris. Will they please correct?

## A Parisian's Hit.

The Lexington Leader pays Edgar Hill, of this city, the following compliment in commenting upon the Saxton Minstrel performance in Lexington: "Mr. Edgar Hill is of Paris and a member of the Elks' quartette of singers in that city. He has one of the very finest bass—in fact double bass—voices ever heard on the local stage, and the rendering of his solo in the first part was truly a rare vocal treat to lovers of good music. His voice is phenomenal, soft, clear and remarkably deep and under perfect control. The singing of Mr. Hill and the guitar playing of Prof. Henry A. Saxton, known as the king of that instrument, were the star features of last night's performance."

The "Kentucky" will afford middle aged people and families the opportunity of taking a ten mile ride on Stoner.

Several parties of young people are being arranged for this week.

The launch will leave the landing every hour—nine, ten, eleven, and so on, during the day.

## Fire Saturday Night.

At nine o'clock Saturday night the fire department was called out by a telephone message to extinguish a fire at Mr. J. J. McClintock's residence on Third street. The blaze was caused by the breaking of a lamp which fell from a table which was accidentally overturned. The burning oil spread rapidly, and the fire ruined a handsome carpet, a \$600 set of furniture, some chairs, a machine and other things in the room. The fire department quickly put out the fire with the chemical engine.

The damage will reach fully five hundred dollars. The loss was covered by insurance.

## Men's and Boys' Suits

Clothes that any best clothing store is glad to show its most particular customers. Stylish, proper cut, well tailored, dependable. We take great pride in showing our present stock of Men's and Boys' Suits, not only on account of the correct fit, the workman-like finish, the perfect linings, the close set of the collar at neck, but in the hidden details of making that tell in the wear. It's these details of making that keeps our clothing shapely when no longer new.

## The Deadly Parallel of Comparison of Prices

and qualities will prove to you that these Suits at \$6, \$7.50, \$10, \$12.50, \$15, \$17.50 and \$20 cannot be equaled in this city for the money. We want you to consider the prices and weigh them well, then investigate the remarkable worth they represent. One fact is especially entitled to your consideration, and that is the utter absence of unworthy goods. We offer none that we cannot conscientiously recommend as the very best in the grade they represent.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, May 10, 1900. Hello, 170.
